

# September Education Program

## Community Service Project

Our community service goal this year is to once again deliver 1,000 Ziploc bags of toiletries for the Parent Resource Centers at Nationwide Children's Hospital!

To achieve that goal and continue making a positive impact we need your help!

### How Hoteliers Can Help

PLEASE donate cases of toiletries listed below throughout the year.

Donate any outdated toiletries left over from rebranding. Please ask your housekeeping team to help our cause and clear out space! We will pick up boxes and donate to our cause.

### How Everyone Can Help!

Monetary donations will allow us to purchase cases of toiletry need items. Donations can be made by check, Credit Card, or cold hard cash!

Collect personal unopened/unused travel size items to donate at our event next year!

### **PLEASE DONATE** **Only New, Unused, Unopened Items :**

NATIONWIDE CHILDREN'S  
*"When your child needs a hospital, everything matters."*

- Shampoo
- Conditioner
